

Clinical Site _____

The University of Texas at Austin
Athletic Training Education Program
Affiliated Clinical Site Evaluation

This form is used to evaluate your site's compliance with the standards and guidelines of the UT ATEP and CAATE. The evaluation is based on information obtained from 1) the program director's visits to your site, 2) students evaluations and comments, and 3) information that you provide. If you have any questions or concerns regarding this form or your scores, please feel free to contact the program director. Thank you for your support of the UT ATEP.
