Application for Admission to Sport Management Major

Submit this application along with your résumé to the Department of Kinesiology and Health Education Advising Office, BEL 1005 by 5:00 p.m. on Thursday, December 1, 2011.

The University of Texas Sport Management program began in 1988 and quickly became one of the most popular majors in the Kinesiology and Health Education department. Admission to the program is limited, so students who have kept their GPA as high as possible and who have been strengthening their resumes by volunteer and other work experiences tend to be more competitive for admission. This has resulted in high caliber students who are well prepared for the classroom challenges provided by our outstanding faculty and are in turn, able to compete for the best internships and positions upon graduation.
