AppleCare Protection Plan

The AppleCare Protection Plan is a uniquely integrated service and support solution that extends the complimentary coverage on your Mac to three or four** years from the computer's purchase date. The AppleCare Protection Plan covers your Mac, as well as an AirPort Extreme Card, and AirPort Express or AirPort Extreme Base Station, and Apple RAM used with your Mac. This comprehensive plan includes expert telephone assistance, global repair coverage for portable computers, web-based support resources, and powerful diagnostic tools.

**Special Order Only. Shipping times may vary.

4-year AppleCare MacBook - Add \$146
4-year AppleCare MacBook Pro - Add \$310
