# Applied Movement Science (08-10)

This is only a guide and should not replace advising!!

## 1st Year

- CH 304K or CH 301**
- CH 305 or CH 302**
- GOV 310L
- GOV 312L
- HED 329K: Child. Adolescent & Adult Health
- KIN 119: Volleyball (Fall only) or Basketball (Spring only)
- KIN 119: Swimming
- KIN 310: Physiological Basis of Conditioning
- KIN 312M: Management of Physical Activity & Sport Programs
- KIN 315: Motor Learning (prerequisite: PSY 301)
- M 305G/ Calculus* or BIO 301L/ BIO 311C***
- PSY 301
- RHE 306
- UGS 302/303

38 hours

## 2nd Year

- Buy Laptop (Laptop Initiative)
- E 316K
- EDC 370E: Teaching Elementary P.E. (Spring only)
- EDC 371 or computer proficiency exam
- Foreign Language I
- Foreign Language II
- KIN 119: Ballroom Dance
- KIN 119: Rhythmic Activities (Fall only)
- KIN 119: Kinesthetic Awareness (Spring only)
- KIN 119: Conditioning
- KIN 219T: Team Activities – Psychological Concepts (Fall only)
- KIN 127L: Physical Education Teaching (Fall only)
- KIN 324K: Applied Human Anatomy (Spring only)
- KIN 321M: Motor Development & Performance (Fall only) or KIN 334: Children’s Exercise & Physical Activity (Spring only)
- M 305G/ Calculus* or BIO 301L/ BIO 311C***
- Substantial Writing Component

38 hours

## 3rd Year

- Apply to the PDS by OCT. 1
- ALD 327: Sociocultural Influences on Learning
- EDC 370S: Teaching Secondary P.E. (Spring only)
- U.S. HIS 3 hrs
- U.S. HIS 3 hrs
- KIN 119: Adventure Activities (Fall only)
- KIN 119: Tennis
- KIN 320: Applied Biomechanics of Human Movement (Spring only)
- KIN 322: Diagnosis & Evaluation of Fitness or KIN 337: Assessment & Motor Skill in Children
- KIN 360: Programming for People with Disabilities
- PSY 304: Child Psychology or EDP 363M: Adolescent Development or HDF 313 & 113L: Child Development & Lab
- Substantial Writing Component

29 hours

## 4th Year

- Apprentice Teaching Semester (Fall Only)
- EDC 371: Curriculum Issues in P.E.
- EDC 950W: All-Level Teaching Practicum
- Spring Semester
- Visual & Performing Arts
- General Culture
- Math/Science
- Social Science

24 hours

* Students pursing a career in any Health Profession will be required to take Calculus
** Students pursing a career in any Health Profession need to take CH 301 and CH 302
*** Students pursing a career in any Health Profession need take BIO 311C
1. Applying for the Professional Development Sequence — Students must apply for admission to the Professional Development Sequence (PDS) by October 1 to enter in the Spring semester. Admission requirements include presentation of a minimum 2.5 GPA on all coursework taken at UT-Austin, as well as a 2.5 GPA on all Kinesiology coursework, application by the stated deadline, and selection by an admissions committee. In addition, the following coursework must be completed by the time of actual entry into the PDS: all of the KIN 119 courses, KIN 127L Teaching Physical Education, KIN 219T, KIN 310, KIN 315, KIN 321M/334, KIN 360, KIN 324K, EDC 370E, EDC 371 - Computing Tools for Educators (or demonstrated computer proficiency), and at least one of the other KIN courses (KIN 320, HED 329K, KIN 322/337). The application for the Professional Development Sequence is available only online. Contact the Education Services Office (SZB 294) at (512) 471-1511 for information, or visit http://www.edb.utexas.edu/education/certification/index.php

2. Grade Point Average Requirements — Students seeking All-Level Physical Education teaching certification must have a minimum grade of ‘C’ in all courses taken in the major for admission to the Professional Development Sequence. This includes all KIN courses required for the Applied Movement Science major. Progression within the PDS also requires the maintenance of a minimum 2.5 cumulative university grade point average, a minimum 2.5 grade point average in all KIN courses taken, and a minimum grade of ‘C’ in each of the PDS courses. Students who do not maintain the minimum grade point average or make a ‘C’ in each PDS course (or major courses still being taken) are not allowed to progress within the sequence until the course is repeated and a grade of ‘C’ or above is earned.

3. Oral and Written Communication Proficiency — Your oral and written communication proficiency will be reviewed during the first semester of the Professional Development Sequence. Successful completion of an Individualized Performance Plan (IPP), which outlines steps for addressing difficulties, will be required if necessary.

4. Residence Rules for Teaching Practicum and Certification — All candidates must complete the teaching practicum in residence at UT-Austin. The teaching practicum must be completed no more than 3 years prior to being recommended to the State for certification, otherwise, additional experience or coursework may be necessary.

5. Computer Literacy — All applicants must prove they are computer literate. Certification seekers may prove proficiency through an examination given by the Office of Instructional Technology (SZB 244, (512) 471-5211), or by completing EDC 371 Computing Tools for Educators or a computer applications course approved by an advisor.

6. Laptop Initiative — All UT Austin students engaged in teacher preparation professional certification programs are required to have a laptop computer conforming to prescribed hardware and software specifications. These computers will be required for use in the professional development courses and field experiences, will facilitate innovative instructional technology integration in public school teaching, and will equip our graduates for teaching in Texas classrooms of the future. Under this plan, each specific program defines the semester or course when this requirement will affect its students. Students seeking All-Level Physical Education certification must have the laptop for the Pre-PDS course, EDC 370E - Teaching Elementary Physical Education. In order to provide the best possible support for students and faculty in the initial years of this innovative project, only one operating system will be supported. For further information, please go to http://www.edb.utexas.edu/education/life/index.php

7. State Certification Examinations — Students are strongly encouraged to take the state certification examinations as soon as possible. Undergraduates may take the state-required TExES (Texas Examinations of Educator Standards) examinations in the last semester of their coursework or after all certification courses are completed. All-Level certification seekers take the TExES Test 160: Pedagogy and Professional Responsibilities EC-12, as well as the TExES Test 158: Physical Education EC-12. Currently, the cost of each test is $82 (subject to change). Study guides are available at http://texas.ets.org/ under "Preparation Materials".

8. Graduation and Residency Requirements — To receive a degree from the College of Education, a student must have been registered in the college for at least two long-session semesters or the equivalent. A candidate for a degree must be registered in the college either in residence or in absentia the semester or summer session the degree is to be awarded, and must apply for the degree no later than the specified deadline. The student must have an official degree audit on file prior to applying for the degree (upon completing fifty semester hours of coursework). Sixty hours counted toward the degree must be completed in residence, as well as twenty-four of the last thirty hours counted toward the degree. Coursework taken out-of-residence, including coursework through continuing and distance education or from another institution, will not be allowed in a student's final semester at The University. Students who are graduating in the summer may appeal to take courses at another institution in the first summer term only.

9. Application for Certification — Information about the application procedure for certification should be picked up in SZB 216 after all requirements, including graduation and TExES or ECET tests, are completed. For us to process your recommendation, you must have completed your B.S. in Kinesiology degree program, have a minimum 2.5 UT-Austin grade point average, and your application and fees must have been submitted to the State Board for Educator Certification. Submit your online application at http://www.sbec.state.tx.us
